EXPERIENCE

NBC NEWS NOW - STAY TUNED NOW

Segment Producer | January 2026 - Present

- Produce live breaking news and interview segments, coordinating with anchors, correspondents and editorial teams in real time.
- Report from the field, conduct interviews, gather video and sound, and produce coverage under deadline.
- Pitch, research, write and produce original feature packages from concept through edit and air.
- Write digital articles, scripts and anchor copy on breaking news, features and developing stories.

NBC NEWS NOW - STAY TUNED NOW

Associate Producer | September 2023 - January 2026

- Produced live segments and readers daily, as well as feature packages that air across NBC News platforms, including MSNBC and Today Show
- Consistently pitched innovative angles to ongoing coverage and pursue bookings
- Shot, wrote, and edited original packages often focused on trending topics, marginalized communities, technology, social media, and the arts
- Located and edited strong visual elements using AVID and Adobe Premiere
- Flagged team when breaking news occurs, then mine and edit the best incoming video and sound
- Wrote stories for publication on NBCNews.com

NBC NEWS NOW - STAY TUNED NOW, NOW TONIGHT

Production Assistant | June 2022 - September 2023

- Located and edited strong visual elements, using AVID and Adobe Premiere, that best complement a story with tight daily deadlines
- Pitched and produced relevant and engaging stories for packages and live guest segments
- Wrote stories for publication on NBCNews.com
- Monitored developing stories, locate new video and sound to keep rundown and scripts current
- Handled breaking news situations effectively and excelled in a fast-paced work environment

NBC NEWS NOW - WITH AARON GILCHRIST AND MORGAN RADFORD

Production Assistant/News Intern | September 2021 - April 2022

- Served as a production assistant, communicating with segment producers to cut over 500 elements for live air, including PKGs, VOs, SOTS, as-lives and full screen graphics
- Pitched, wrote, reported, edited, and produced stories in the streaming network's voice and tone
- Identified characters for stories and conducted pre-interviews
 - Pitched/produced a story on the supply chain crisis that aired on NBC News Now, Early Today and MSNBC
- Worked directly with NBC News and MSNBC correspondents and anchors on scripts
